

Extra Credit:

Pick a page in ICB and do a Rhetorical Web Chart for it. Then Write a one page analysis where you explain what Capote's purpose in the passage was and how he achieved that purpose.

This had better be darn good for me to give you extra points on a test that was straight up comprehension of a book you should have read before school even started. Seriously.

Due to my email (only) by 5 pm. Sunday. No exceptions.
