

- All Rhetorical Terms (be familiar with those first 106 or so words.)
- Do you know the different types of sentences and clauses?
- Do you know the types of irony?
- Do you know the list of fallacies that the very end of the list?
- Are you familiar with the tone words with asterisks that appear in the sections that we've quizzed over and in the two sections we didn't get to quiz over?
- Do you know the parts of the rhetorical web?
